OVER THE YEARS

A hayride at Raymond Pratt's after a hard day of exams on May 15, 1957, started the summer after our Freshman year at Riverdale in which we were initiated by the Seniors. During the summer most of the kids worked on their 4-H projects and went to various camps. Then on August 29, after a summer full of fun, school brought us out of the sunny fields and shady front lawns where we worked and played happily.

In this sophomore year some of the kids were happy to receive invitations to join the Beta, Tri-Hi-Y, and F. F. A. Clubs, and in the spring Mr. Stackhouse, English Teacher, and Gailanna Holman, School Secretary, chaperoned us on a trip to Greenfield Village and the Henry Ford Museum.

The Junior year held many good times for us such as receiving our rings and sweaters, and the much awaited event of the Junior-Senior Banquet.

Then in 1959, our Senior year, we tried to make the most of our high school educational opportunities, but still manage to have fun. We eagerly awaited the coming of our trip to New York and Washington D. C. Then came Commencement and parting as we each try to make a happy place in the world for ourselves.
